**FOR IMMEDIATE RELEASE**

## **Work Schedule Modification for Storm Repair Project on Highway 1 near Bodega Bay**

**Bodega Bay** – Caltrans announced today it is modifying the work schedule for the storm repair project on Highway 1 near Bodega Bay. Originally, signalized one-way traffic control was to be in place 24/7 starting June 7.

Now, the schedule will call for one-way traffic control with a flagger, during the daytime hours on weekdays only. No work will be done on nights or weekends. This schedule will remain in place until further notice.

A section of Highway 1 at post mile 7.6 has suffered repeated storm damage over the past several years. Construction crews will build a new retaining wall that will prevent further slip-outs and mud slides.
