Jewel of Sereno del Mar

**Offered at
\$1,220,000**

This jewel of Sereno del Mar has been completely remodeled with beautiful touches throughout. The chef-designed kitchen includes concrete & butcher block countertops, instant hot/cold water, under counter storage and was built around a professional Thermador range. Bamboo floors blanket a comfortable living area which is adjacent to a large deck with sunken hot tub. The upstairs master suite has views of the Pacific Ocean and rolling coastline.
