July 24, 2007

Good Day,

Once again, we hope you will help us at Coldwell Banker Coast Properties in supporting Big Brothers and Big Sisters of Sonoma County (BBSSC). In 2006 we raised over \$6,000 for this very worthy cause.

A little background on this organization is on the attached flier for your review but essentially BBSSC is a prevention service, matching adult mentors and role models with children who are without a parent due to death, divorce or non-marriage.

For those who have not received our annual letter, we would like you to know Coldwell Banker Coast Properties has been fundraising for this non-profit for over 18 years. During this time we have raised and contributed in excess of \$100,000 to this worthy organization. John Chute, one of our Broker/Agents, has been an adult mentor in the program for over 7 years; he was matched with Matthew in early 2000. Matthew, now 15 years old, is a regular visitor to the office when they are on their coastal jaunts, and we have witnessed first hand how special the relationship is for both of them.

Our goal for 2006 is to raise over \$8,000, the agents and staff have already pledged over \$2,000 and we hope you will help us with the balance. To provide a little incentive we have a raffle to win a Vespa.

Thank you and good luck,

"Team Coast"

PS WOULD YOU CONSIDER BEING A BIG BROTHER OR SISTER?

There is a waiting list of children who are looking for matches, particularly Boys, 32 at present waiting for a Big Brother and some have been waiting for years. For more information call John Chute or Big Brothers Big Sisters at 707-584-2780.
