Completely remodeled inside and out by local award-winning designer, this home now boasts dramatic architecture with its elegant combination of galaxy black granite, maple floors, Shaker-style cabinets and Chinese Autumn slate! Feel yourself relax as you pass by the Zen garden and enter home through a custom Monterey Cypress etched-glass door. Meander through this spacious four bedroom, three bath home and note the incredible attention to detail; from the wool Berber carpet to the Emtek door handles, Jacuzzi tubs and gorgeous Italian blown glass sinks. As you walk through the great room your views expand Southwest to Bodega Rock over the front deck where you can sit and watch the sunset. Look North out to the 11th fairway and to the rolling hills beyond where you can sit and luxuriate on your back deck or in the ten-person hot tub! Discover...you've arrived...and you never want to leave!
