

COAST PROPERTIES

Floor to Ceiling Ocean Views

**Offered at
\$1,450,000**

Dramatic entrance leads you upstairs to great room with floor to ceiling glass framing the views of Pacific Ocean and beach. Natural light from above with a series of skylights. Handsome combination of natural materials (limestone, granite, cherry wood cabinets and floors). Solid core doors, alarm, wired for speakers and internet. Contemporary lighting enhances the architecture of this home designed by James McCalligan. Easy walk to beach and clubhouse.
