# Million Dollar Views

**Offered at  
\$1,225,000**

Million-dollar views from Bodega Head to Pt. Reyes are yours in this frontline contemporary cottage. The courtyard entrance leads to a cedar-lined house with vaulted ceilings, wood-burning fireplace, and sauna. Every room views blue and white water over the green of the golf course, spectacular sunsets, crashing surf, and migrating whales. Golf, tennis, swimming, restaurant and beach access all within walking distance.
