This home has been lovingly maintained by full time owners since it was built. Sitting high on the lot with panoramic ocean views, and up off the street with great privacy. The home is near the golf course, but not on the course. There is a partially sheet rocked/unfinished 1st floor (about 700+ sq ft) that could be converted to a family/media room, bedroom and a bathroom very easily. Large garage with nine-foot doors for a boat or RV.
