

Sweeping River & Ocean Vistas

COAST PROPERTIES

**Offered at
\$875,000**

Sweeping vistas of the Russian River, Penny Island and the crashing surf at Goat Rock Beach are yours from both the inside and out. Built on three levels the upper entry floor features a great room with plenty of glass to take in the view and a large deck, a perfect setup for entertaining guests. The upper level offers a large open den/office with one of the two bedroom suites (the other is on the main level) and a third guest room.
